My heart did a “flip”
When I saw your new do
I thought you were a purple top, a purple top
“Turnip”
I remember you as a little slip, small and tender
and how you made me smile.
Your Mom and Dad
would fertilize dip you!
And you grew straight and tall
And mild tasting too.
And now you are a purple top
a purple top
turnip!
The cream of the crop!
A purple top, a purple top
turnip!
A 'delectable vegetable '
The sweetest
Purple top,
Purple top
turnip!
